Michael Hawkesworth Championships (BTTAD nationals) Crewe march 2012

A record turn out for the BTTAD National Championships at Crewe with 85 players competing in over 20 events - a 25% plus rise over last year - a tribute to the work being undertaken in the English regions by the Disability Officers as well as similar work in Scotland and Wales

All 13 British players selected for the Paralympic Games competed with players from all over England as well as with strong contingents from Scotland and Wales

With 32 juniors in membership, the junior events were bound to attract great interest and the youngsters responded with some fine performances. Jack Hunter – Spivey won the Junior wheelchair event but the talent of Nicko Anderson, Ryan Hubbard and Daniel Bullen just behind him bodes well for the future. The junior Standing event was dominated by the Scots with Neil Innes as champion while Junior Class 11 - Learning Disability- was a close battle won by Patrick Cox over Jordan Abbott
